

SMILE

Whitepaper

April 2024 smile.net

TOKENOMICS

Dex

Liquidity tokens are locked for an initial period of 2 months.

Community:

As part of our commitment to community empowerment, we'll be conducting several airdrops totaling 15% of the maximum token supply. These airdrops will be distributed to eligible holders and active community members.

Marketing

In addition to our community-focused initiatives, we've allocated 10% of the token supply to marketing efforts. This investment is crucial for increasing visibility, attracting new participants, and ensuring the long-term success and sustainability of our project. Through strategic marketing campaigns, partnerships, and outreach activities, we aim to expand our reach and amplify our message to a broader audience.

TOKENOMICS

Community:

Additionally, we've allocated 5% of the token supply to the team, which will be locked for a period of 4 months. This ensures alignment of interests between the team and the community, as well as commitment to the project's long-term success.
